# TWENTY ONE DAYS OF PRAYER

## A Message From Our Pastor

Prayer is an integral part our foundation here at Bethel Gospel Tabernacle. I am thankful for the opportunity we have to communicate with God and I am grateful that we can approach our Heavenly Father with boldness.

Throughout the three weeks following September 30th, I'd like for us to be intentionally unified in our prayers as a church. We will have a different prayer focus each day, ranging from areas within our ministry, to the state of the world in which we live. These points should be included in your prayers throughout the day. Though we may not physically be praying together, and our focuses will vary from day to day, ultimately I believe this will help us to become more unified as we approach our Fall Consecration (October 18-20). **In the coming weeks, please remember to stay updated via our social media platforms each day;** we want to be on the same page as we move forward.

Bethel, just as we've transitioned from Summer into Fall, this too is a new season in our ministry. I am excited for what is to come and am looking forward to how God will meet us as we pursue Him together through prayer.

God Bless You,

***Pastor Roderick Caesar, III***
